

Henry James: A Life, 0006548687, 9780006548683

This is the one-volume edition of a famous biography of Henry James, which includes new material. Born in America, Henry James was educated both there and in Europe before settling in London, where he was to spend most of his life, in 1876. His novels represent the culmination of the 19th-century realist tradition of Austen, George Eliot, Flaubert and Balzac, and a decisive step towards the experimental modernism of Woolf and T.S. Eliot.
