

Malarat: a novel of love beyond death, Jessica Rydill, Jessica Rydill, 0957637217, 9780957637214

Malarat is both a stand-alone novel and the third book in my shamanworld series. With dark and serious themes, Malarat is a work on an epic scale, with action that takes place both in the living world and the underworld. Once again, Annat Vasilyevich is called upon to use her growing powers to defend not only her home town, but her whole country. In this story, Annat and her family go to war against a deadly enemy - the Domini Canes, warriors of the Inquisition. Malarat is a book where the neo-Victorian world of the shamans and their allies comes into conflict with a mediaeval society that hates and fears all they stand for - and seeks to destroy them.
