

Multiple Paths to Literacy: Assessment and Differentiated Instruction for Diverse Learners, K-12, 2013, Joan P. Gipe, Pearson Education, Limited, 2013, 460 pages

In this highly regarded resource, pre- and in-service teachers see how to recognize students' literacy strengths and needs, identify students with special needs, and plan and differentiate instruction. With a goal of making literacy accessible to all students, and taking into account each learner's talents and multiple intelligences, the book helps teachers meet the literacy needs of the diverse learners in today's classrooms. This new edition retains the features that have made the text so popular, including: Spotlight on English Language Learners, Arts Connection, MI margin notes, vocabulary alert, chapter objectives, recommended websites, assessment resources appendixes, glossary, references, and index, as well as test-taking strategies. And the new Eighth Edition features: Ideas and suggestions for connecting instruction to the Common Core State Standards. Help for understanding the relationship between the analytic process and RTI. Recommendations for focusing on meeting the needs of all students, including ELLs and students with special needs such as autism spectrum disorder, with attention to Universal Design for Learning.
