Judy Bieker, 2008

The greatest battle in the whole world right now is in our minds. There is no battle more raging and fierce than the battle within our minds. Only through prayer and the Word can our minds be renewed. When our spirits and our minds begin to come into agreement with the Word, power is released. But before God's power can truly flow through us as it flowed through Jesus, we must have our minds renewed by the Word of God. For it is what goes on inside of us that will begin to reflect from the outside. We are living temples, and with our minds we choose to declare the temple holy or contaminated. We must seek as never before to know our God; to know the Master Mind of our God so that we can stand firm in His will and be flooded with light and peace. We are the kingdom of God. As we decrease, Jesus increases. We ask the Lord to clean out the channel of our reasoning and to use it for His glory, that we can fulfill the will of the Lord. For to know His will, there is also grace to do it.
