

The Ascent Of Rum Doodle, W E Bowman, 1446468402, 9781446468401, 192 pages, 2011, Random House, 2011

WITH AN INTRODUCTION BY BILL BRYSON An outrageously funny spoof about the ascent of a 40,000-and-a-half-foot peak, The Ascent of Rum Doodle has been a cult favourite since its publication in 1956. Led by the reliably under-insightful Binder, a team of seven British men including Dr Prone (constantly ill); Jungle the route finder (constantly lost), Constant the diplomat (constantly arguing) and 3,000 Yogistani porters, set out to conquer the highest peak in the Himalayas. <http://www.rumdoodle.org/>
