

Succulent: Chocolate Flava II is a collection of buck-wild and choco-holic erotica presented in a series of mind-blowing tales handpicked by Zane that also includes three original stories by the queen of erotica herself. Succulent features twenty-seven tantalizing short stories to tease and please both him and her. For couples who want to heat things up or for singles who want to spark a fire, there are stories written especially for women, and others are penned expressly for men. From a psychic aficionado who finds more than tarot cards to spread or a ménage à trois with a fifty-year-old woman, her husband, and his new girlfriend, to a lucky bachelor who finds himself with plenty of sexy presents on Christmas -- from a promiscuous mother and daughter -- the authors in this anthology take risks, pushing the envelope as they explore unique situations sure to set fire to your fantasies. These sensual stories turn Zane on and are sure to turn you on, too.
